

Attendees: Jeff Detweiler, Ashley, Teresa, Rose, Julie, Courtney, Becky Kilfoy (WVE School Nurse), and Jean McMenamin

Principal's report:

- WVE – staff tshirts well received
- Great Science Fair and thanks to support with judging and family/student participation
- Kindergarten registration coming up – spread the word to promote early registration for optimal planning and overall experience
- Looking for Idle Free campaign support
- Planning for Earth Day

Treasurer's Report:

- \$111k
- \$2300 raised through Holiday Shop – good return considering the level of people/time investment to put the event on → let's strongly suggest this event returns next year

Correspondence Report:

- Directory – Ready to print

New Business:

- Following up with Mother/Son Trivia Night chair to confirm date and planning
- Following up with Spirit Wear chair
 - Identify new vendor
 - Replenish inventory for school events
- Spring Spectacular
 - Student Council support
 - Will teach them about budget and let them choose activities
 - Will determine activities at the event that student council members could help facilitate
- Bingo
 - Student Council Support
 - Follow up if bake sale is possible
- Reading Incentives
 - Teresa will follow up with Amy on any receipts

Idle Free Update from Nurse Becky:

- In partnership with the township clean emissions initiative
- Launched last week and already seeing parents turning off engines
- Asking PTA to encourage support through social media, website
- Chester County Planning Commission & Pennsylvania State recognition

Initiative With Nature Club Update from Nurse Becky and Jean McMenamin:

- Promote feeding our local nature ecosystem by encouraging families to plant native plants. Will likely be key feeder into our school Earth Day activity (school webinar)
- Will formalize activities and volunteer/funding needs in near future and come back to PTA
